

## [殘疾歧視](#)

其實公司一直以嚟都對我好好，自從我上次扭親條腰要定期復診之後，老闆就開始唔鍾意我，仲借啲意炒咗我，佢咁樣做仲唔係歧視我。

根據《殘疾歧視條例》任何人如果基於某人嘅殘疾而作出歧視或騷擾行為或者喺公開活動中傷殘疾人士均屬違法。

## [Disability Discrimination](#)

My company was indeed nice to me until I sprained my lower back and had to attend regular medical check-ups. My boss started to find fault with me and finally made up a reason to sack me. Is this discrimination?

Under the {Disability Discrimination Ordinance} it is unlawful to discriminate against or harass a person on the grounds of disability or vilify a person with a disability by any activity in public.
